

BUTTE-PACIFIC ROAD ASSURED

Important Meeting in New York.

To Decide When Construc- tion Will Begin on the New Railroad.

Official Mileage Given Out and Other
Details of San Francisco, Idaho &
Montana, Recently Formed.

On February 22, in New York City, will be held an important meeting of the San Francisco, Idaho & Montana railway, recently incorporated at Boise, to connect Butte with the Pacific coast, via Idaho's capital. At this meeting it is to be determined when construction is to be begun. Already many surveys have been completed and some contracts have been let. Bids will be received for the rest of the work as soon as the final surveys are completed. Secretary G. T. Propper of the company is authority for the statement that the company proposes to build a railroad from San Francisco, Cal., to Butte, Mont., a distance of 923 miles, of which 206 miles will be in California, 25 miles in Nevada, 90 miles in Idaho, 24 miles in Idaho and 22 miles in Montana. The route is via Marysville, Oregon and Susanville, Cal., Old Camp McGarry and Mason, Nev., Jordan Valley, Or., and Boise, Idaho. These points are on the line from San Francisco to Winnemucca, Nev. The road has been surveyed from San Francisco to Boise, Id., 578 miles, and is under survey from the latter point to Butte, Mont., 345 miles.

William Peyton Mason, president, 420 Andrus building, Minneapolis, Minn., said that the line from San Francisco to Boise has been surveyed and that the road will be completed by June, 1907. The route through which the line will pass is undeveloped to a certain extent, but its mineral wealth and resources are unlimited. Timber, grazing and agricultural lands predominate.

The mileage by States, as given above, indicates that the route will be exactly the lines indicated when the announcement of the incorporation was first made, that is, from San Francisco in a northerly direction over much of the same route as that of the Western Pacific, thence north over the same route as taken by the Nevada, California & Oregon line into Idaho, thence north over the Oregon Short Line somewhere near Nampa, to Boise. The route then takes the road through a railroadless region of Idaho, including the Salmon river country, and ends at Butte.

A branch is provided for to run from Mason to Winnemucca, Nev., and this is specified, unless it is head off a competitor, is hard to say.

RIO GRANDE IS ACTIVE. Colorado System Will Branch Out in More Ways Than Extension.

Over in Colorado the Rio Grande is preparing for a heavy campaign of construction, reconstruction and rehabilitation. Now that the Atlantic end of Mr. Gould's system is so well under way it is evident that he is turning to the far West as a profitable field for extension. The new line from Durango will accomplish two good results. In the first place the new line will penetrate a new and fertile mining region. Secondly, it will create new traffic for the Rio Grande system, which is the least remunerative of the Colorado system, its earning power being at a low rate compared with the rest of the system. Probably this fact causes the company to keep accounts separate and operate the branch to an extent as an independent branch.

Men and teams are being rushed to Durango, and work on the line will be in full swing in a few days. It is estimated that in the summer many miles of track may be ready for operation.

While official information about the deal with the Moffat road is still lacking, yet the subject is one that interests all railroad men, and if it should prove to be true it will at once place the Rio Grande in an entirely new light in Colorado, and wonderfully increase its earning power.

The line has certainly come when the Gould lines must prepare to protect their territory. B. F. Yukum of the Frisco is said to be getting into the Colorado & Southern. As the Frisco map is also at the head of the Rock Island it might prove disastrous should the combine effect of the Frisco and the Colorado & Southern be a disruption in Colorado transportation affairs.

Another Western Pacific Branch.

Mr. A. F. Jones, counsel for the Diamond Match company, has departed for New York, and his visit has given rise to the suggestion that he has gone to the construction of a railroad from Oroville to Chico. In its articles of incorporation Mr. Jones mentioned a road from Oroville to Chico to be paid for by the company. Should this branch road be constructed, the interests of Chico would be served without the need of a line of railroad. If the major has gone to New York on the mission suggested it is probable he will make an effort to induce the Western Pacific to build the branch as soon as possible after the completion of the transcontinental line. This would place Chico in a far more advantageous position than she will occupy without such a branch road, for the Western Pacific will offer the cheapest and most speedy transportation to and from the East. Naturally, the Diamond Match company would be much interested in the proposed branch—Quincy National Bulletin.

MINERAL DEVELOPMENT.

Southern Pacific Looking to Great Work Throughout Nevada.

A condition similar to that in Nevada has probably never been encountered by a railroad company, especially by a company practically in control of the situation, as the Southern Pacific has been in that State. For years its through line has been operated as second thought to the Sunset Route, while the small roads were operated upon the most economical plan. A sudden desire to develop the country and to Nevada's future, and traffic poured into the State. At the same time the Clark road built through the southern part of the commonwealth, and by its advertising and push attracted many new sources of fortune.

Also at this same period the Southern Pacific began to note the good results from the change of management and

SECRET SOCIETIES.

I. O. O. F.

The installation exercises of Canton Colfax No. 1, Past Grand Master, held last Tuesday night, passed off very pleasantly. The officers installed are: P. A. Simpson, commander; S. J. Wornath, lieutenant; A. F. Wornath, adjutant; C. O. Farnsworth, clerk; S. McLessee, accountant. A banquet was provided and the guests were most hospitably entertained. The installation exercises were held at the home of the Past Grand Master, S. J. Wornath, and were most interesting and instructive.

Col. W. W. Lewis, department commander, responded to the toast, "The Canton." Col. W. H. Bucher responded to "The Canton in the Past."

J. J. Thompson, grand representative, responded to "The Future of the Canton," while Simpson gave a complimentary address to "The Ladies."

It was one of the most pleasing events of the season.

Golden Rule's encampment No. 2 will have a meeting on Tuesday night, February 7, which the officers wish to make a very interesting one. Visiting patriots will be especially welcomed.

The meeting of Salt Lake lodge No. 2 on Friday night was well attended and the new officers were in their stations, making the business more smoothly and visitors feel at home.

Naomi Rebekah lodge No. 1 meets on Saturday night, and will have a very interesting program. Visitors will enjoy meeting with this lodge, as there is generally something interesting and new in the program of the lodge. The staff are an attractive feature.

Royal Neighbors.

The next regular meeting of the Royal Neighbors of America will be held on February 10, at 7:30 p. m. All members are requested to attend as business of importance will be transacted.

Fraternity Brotherhood.

Sequoia lodge No. 222 anticipates having an occasion of special interest tomorrow (Tuesday) at its hall in A. O. U. A large list of applications for membership is to be presented for initiation.

Essex team work, bright musical features, and a variety of other amusements will be given at the hall of the lodge, which will be a most enjoyable evening.

Sequoia lodge No. 222 anticipates having a most enjoyable evening at its hall on Tuesday night, February 7, and cordially invited.

P. N. G. Club.

Members of the P. N. G. club will meet at the home of Mrs. C. Schults, 308 Thirtieth East street, next Thursday afternoon. Take State prison car.

Ladies of the Macabees.

Banner lodge No. 11 will hold regular review Tuesday at 2 p. m. at the hall of the lodge. The review will give a Valentine and social at the same place Tuesday, February 21, at 2:30 p. m. All Macabees and friends are cordially invited.

Macabees.

There was special review of Salt Lake City lodge No. 4 last Tuesday evening, and all the new officers were present. The review was a very successful one, and the lodge is now in a very prosperous condition.

The lodge is now in a very prosperous condition, and the officers are all very active. The lodge is now in a very prosperous condition, and the officers are all very active.

Women of Woodcraft.

Silver Maple circle 108 held an open session last Friday evening, the event being the annual installation of officers. The hall was beautifully decorated and well filled, some 50 members and friends having been present.

Several applications were received for membership, and the lodge is now in a very prosperous condition. The lodge is now in a very prosperous condition, and the officers are all very active.

Fraternity Union of America.

The meeting of Evergreen lodge No. 131 of the Fraternity Union of America last Monday evening will be recorded upon the pages of history as one of the best and most enjoyable ever held in the city. The lodge is now in a very prosperous condition, and the officers are all very active.

The lodge is now in a very prosperous condition, and the officers are all very active. The lodge is now in a very prosperous condition, and the officers are all very active.

Women's Relief Corps.

McKean Relief corps will hold its regular meeting Wednesday at 2:30 p. m. in the hall in the Jennings block.

Modern Woodmen of America.

Excelsior camp No. 10, 192 will give a masquerade ball Thursday evening at its hall, First and Main streets.

The lodge is now in a very prosperous condition, and the officers are all very active. The lodge is now in a very prosperous condition, and the officers are all very active.

Improved Order of Red Men.

Vachaca tribe No. 1 met Monday evening and elected its council five in ample form. A large number of visiting brothers were present.

The lodge is now in a very prosperous condition, and the officers are all very active. The lodge is now in a very prosperous condition, and the officers are all very active.

Ladies of the Grand Army.

Ladies of the Grand Army will hold regular meeting at Federation hall Tuesday, at 2:30 p. m. All wives, daughters and nieces of honorably discharged soldiers of the Civil war are invited to attend.

G. A. R.

George B. Maxwell post No. 5 will hold its regular meeting on Thursday evening, February 9, in the hall in Federation building. A full attendance is desired. Visiting comrades are invited.

ownership and the result is seen in the entirely new conditions existing on the line.

The Southern Pacific in the old days was content to haul traffic that came to it, but for many weary years no effort was made to develop local traffic. Now this is changed and the reasons are as set forth above.

The big corporation has new plans in view and one of the most important is the splendid Harriman idea of building branches wherever the resources of the country need the use of a line of railroad. It has several branches in view and many of these will prove of interest to Salt Lake, not that they will mean more through lines, but solely because they will open new mineral regions to the smelter of this valley.

It is too early to make any definite announcement of the plans of this company, but the Southern Pacific is going

NERVOUS DYSPEPSIA.

A CURE FOR ALL.

Not a Patent Cure-all, Nor a Modern
Miracle, But Simply a Rational
Cure for Dyspepsia.

In these days of humbuggery and deception, the manufacture of patent medicines, as a rule, seem to think their medicines will not sell unless they claim that it will cure every disease under the sun. And they never think of leaving out dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic and he need look no further.

In the face of these absurd claims it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making any undue claims or false representations regarding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, and that is, that for indigestion and various stomach troubles Stuart's Dyspepsia Tablets is a radical cure. They go no farther than this, and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial will find that nothing is claimed for it that the facts will not fully sustain.

It is a modern discovery that the stomach is in good working order or not. It rests the overworked organ and replenishes the body, the nerves, the system, creating a healthy appetite, giving refreshing sleep and the blessings which always accompany a good digestion and proper assimilation of food.

In using Stuart's Dyspepsia Tablets no dieting is required. Simply eat plenty of wholesome food and take the Tablets at each meal, thus assisting and resting the stomach, which rapidly regains its proper digestive power, and the Tablets will be no longer required.

Nervous Dyspepsia is simply a condition in which some portion or portions of the system are not in proper working order. Good digestion invigorates the nervous system and every organ in the body. Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents per package.

to do its share in the upbuilding of Nevada, and in the opinion of many that State is going to see one of the greatest natural growths in the next few years which has ever been witnessed even in the West.

Gillett in the City.

E. W. Gillett, the general freight and passenger agent of the San Pedro, Los Angeles & Pacific coast, is in the city for a couple of days en route to the East on matters relating to the traffic department. Mr. Gillett has been in the city for six months, and the manner in which he has handled the intricate details has shown that the right man is at the head of the freight and passenger work on the new road.

Railroad Notes.

The Denver Times says that S. J. Henry will succeed W. B. Biddle of the Santa Fe.

George H. Crosby, one of the best of the good ones on the Burlington, has succeeded the late Thomas Miller as freight traffic manager at Chicago.

WEARS MEN'S CLOTHING.

Young Woman of Cincinnati Asked to Be Companion of Dr. M. Walker.

CINCINNATI, Feb. 5.—Frances Lamouche, the young woman at the City hospital who until a week ago worked about the Grand hotel in boy's clothing, has received a letter from Dr. Mary Walker of New York. Dr. Walker, authorized by Congress to wear men's clothing, Dr. Walker, after expressing concern as to the girl's health, offers her a berth in her sanitarium in New York, agreeing to pay transportation if she will come. You need not be afraid to wear boy's clothing here, says the doctor. "We dress to suit our inclinations, and the fact that you have discarded the horribly conventional clothing of women shows you to be a woman of more than ordinary intelligence, and consequently, worthy of companionship."

Several other letters were received by the girl. One was from a Detroit woman, who offers a little sound advice. "Get such foolhardiness out of your head as such foolishness does not further disgrace your sex by trying to ape or wear the garments of men. Take heart, for women are forcing the fashion every day. Soon it will be men that will be trying to wear the petticoats of a woman in order to equal them in the world's progress."

Ice Retards Navigation.

NEW YORK, Feb. 5.—Ice floes completely filled New York harbor today, rendering the passage of vessels into and out of the port slow and difficult. In the narrows the ice pack was so dense that even the powerful transatlantic liners had trouble in forcing a passage.

TEA

Our people don't know
how fine is the taste of well-
brewed good tea.
